

## **PRIVACY POLICY- FRIENDS OF CURTIS SLIWA**

*Welcome to the official website of Friends of Curtis Sliwa. Privacy is important to us. We understand that your right to privacy is important, especially online. The only personal information collected is information you give us. In an effort to grow our community online, we may ask you to submit information. This information will be used to provide you with updates regarding Friends of Michael Henry. We will never require you to give us personal information in order to visit this site - we only ask that you do so that we can better communicate with you. When you offer your personal information, we may use your information to personalize and customize Web pages, emails, and text messages to you. Some information must be collected when you make a contribution.*
